Features

Ultra High Page Yield Ink Bottles

With ultra high page yield ink bottles that print up to 9 000 pages (B/W) and 21 000 pages (colour), perfect for heavy duty office printing without worry about ink costs!

Pigment Ink Formulation for Better Performance

The quick-drying pigment ink ensures high quality document printouts that resist fading and accidental exposure to water or moisture.

Easy, Hassle-free Ink Refilling

To prevent accidental mixing of coloured inks, each ink bottle tip is designed to fit only the specific colour tank. Ink refilling is a spill-free process, beginning automatically, and stopping when the ink tank is full.
